MATTHEW J. KUKLA

mkukla1@umd.edu o https://mkukla.net

EDUCATION

University of Maryland

awarded May 2022

Mathematics, BSc.

College Park, Maryland, USA

· Selected for First-Year Innovation and Research Experience (FIRE)

EXPERIENCE

BlueHalo Labs
Research Engineer

June 2022 - present

Rockville, Maryland, USA

· Researcher in graph theory, formal logic, applied mathematics.

• Focused on applications to automated reasoning, scientific computing

The Math Citadel March 2019 - present

Researcher

· Conducting novel research in fuzzy algebra, measure theory

· Developing scientific computing packages

· Contributor to technical articles, lectures, and notes

Patton Electronics Summer 2016

Software Engineering Intern

Gaithersburg, Maryland, USA

· Developed a Linux-based operating system for VDSL routers

• Wrote, patched hardware-specific kernel modules

SKILLS

Programming Languages C, OCaml, Python, Fortran, Julia, Prolog, Java, MATLAB Tools, Libraries LATEX, shell scripting, sed/AWK, Git, SciPy, NumPy

RESEARCH PAPERS AND PUBLICATIONS

Logical Limit Laws for Layered Permutations and Related Structures

Authors: Samuel Braunfeld, Matthew Kukla (2021)

Published, Enumerative Combinatorics and Applications. 2 no. 4.

Colored Convex Linear Orders and Logical Limit Laws

Authors: Matthew Kukla (2021)

Preprint.

Rings of Typed Ordered Fuzzy Numbers

Authors: Matthew Kukla, Rachel Traylor (2020)

Preprint, arXiv:2010.07764.

TALKS AND PRESENTATIONS

Logical Limit Laws for Layered Permutations and Related Structures

University of Maryland Logic Seminar (2022)

Categorical Mirror Symmetry of Elliptic Curves (two lecture series)

University of Maryland Geometry and Physics Seminar (2018)

Generalized Calabi-Yau Manifolds

University of Maryland Geometry and Physics Seminar (2018)

CONFERENCES

6th International Conference on Applied Category Theory

University of Maryland (August 2023)

University of Maryland Geometry Festival

University of Maryland (May 2019)

Witt Vectors, Deformations, and Absolute Geometry

University of Vermont (June 2018)
